MINUTES OF THE MEETING  
of the  
EXECUTIVE COMMITTEE  
of the  
BOARD OF TRUSTEES  
of the  
CONNECTICUT STATE COLLEGE  
Held at Hartford, August 23, 1933

Present: Dr. Wood, Chairman                      Mr. Buckley  
          Mr. Hollister                            Mr. Gentry  
          Mr. Spencer                             Mr. Longley

1. IT WAS VOTED to approve the appointment of Mr. Alton M. Porter as Instructor in Vegetable Gardening at a salary of \$2880 less 12%, effective September 1, 1933.
2. The Athletic Association requested permission to construct a fence around the athletic fields at an estimated cost of \$4,500. The committee expressed itself as sympathetic but felt that the Association should wait until it had on hand at least one-half of the estimated cost.
3. IT WAS VOTED to defer a proposed appraisal of the College buildings until values become more stable.
4. IT WAS VOTED to spend \$500 in improving the appearance of the President's house and to employ Mr. D. K. Perry to undertake the work. At the suggestion of Mr. Hollister, it was decided to improve the grounds around the house by plantings, this work to be under the direction of Mr. Hollister.
5. IT WAS VOTED to approve the purchase of supplies and materials in advance where it appears that a saving may be effected due to advancing costs.
6. It was reported that the insulation had burned from the 7-inch steam line from the heating plant to Storrs Hall, a distance of 340 feet. The estimated cost of temporary repairs would be \$1000-1200.  
  
IT WAS VOTED to do the work and allow the Buildings Department sufficient funds from the unallotted balance to cover the cost.
7. It was reported that the price of milk had been advanced to conform with the recent ruling of the Milk Control Board.
8. It was reported that there had been an advance in the price of bituminous coal from \$4.95 to \$5.20 a ton.
